

A003 . Ratings and Limitations

HQ Control: 04/03/2017

HQ Revision: 01a

The certificate holder is authorized the following Ratings and/or Limitations:

Class Ratings

Airframe Class 1: Composite Construction of Small Aircraft

Airframe Class 3: All-Metal Construction of Small Aircraft

Limited Ratings

<u>Rating</u>	<u>Manufacturer</u>	<u>Make/Model</u>	<u>Limitations</u>
Airframe	Dassault-Aviation	Mystere-Falcon 50	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Learjet Inc.	31 Series	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Learjet Inc.	31A Series	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Gulfstream Aerospace L.P.	G-100/1125 Astra	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Cessna	CE-525B	Maintenance to include line

<u>Rating</u>	<u>Manufacturer</u>	<u>Make/Model</u>	<u>Limitations</u>
	Cessna	CE-680	maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs. Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Cessna	CE-550	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Cessna	CE-S550	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Cessna	CE-650	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Cessna	CE-750	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Cessna	CE-560	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved

<u>Rating</u>	<u>Manufacturer</u>	<u>Make/Model</u>	<u>Limitations</u>
	Cessna	CE-560XL	programs. Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Hawker Beechcraft	Hawker 800	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Hawker Beechcraft	Hawker 800XP	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Hawker Beechcraft	Hawker 850XP	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Hawker Beechcraft	Hawker 900	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Bombardier	CL-600	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance

<u>Rating</u>	<u>Manufacturer</u>	<u>Make/Model</u>	<u>Limitations</u>
	Bombardier	CL-601	instructions or other FAA approved programs. Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Bombardier	CL-601-3A	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Bombardier	CL-601-3R	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
	Bombardier	CL-604	Maintenance to include line maintenance and inspections when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved programs.
PowerPlant	Teledyne Continental Motors (TCM)	All models installed on aircraft for which the repair station is rated.	Maintenance and inspections, excluding overhaul, when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved data.
	Textron Lycoming	All models installed on aircraft for which the repair station is rated.	Maintenance and inspections, excluding overhaul, when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved data.

<u>Rating</u>	<u>Manufacturer</u>	<u>Make/Model</u>	<u>Limitations</u>
	Honeywell/AlliedSignal/Garrett	All models installed on aircraft for which the repair station is rated.	Maintenance and inspections, excluding overhaul, when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved data.
	Pratt and Whitney	All models installed on aircraft for which the repair station is rated.	Maintenance and inspections, excluding overhaul, when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved data
	Rolls Royce	All models installed on aircraft for which the repair station is rated.	Maintenance and inspections, excluding overhaul, when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved data.
	Williams	All models installed on aircraft for which the repair station is rated.	Maintenance and inspections, excluding overhaul, when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved data.
	General Electric	All models installed on aircraft for which the repair station is rated.	Maintenance and inspections, excluding overhaul, when done in accordance with manufacturer's maintenance manuals and maintenance instructions or other FAA approved data.
Propellers	All makes of propellers installed on aircraft for which the repair station is rated.	All makes of propellers installed on aircraft for which the repair station is rated	Removal and installation, preventive maintenance and inspections when done in accordance with the manufacturer's maintenance manuals and maintenance instructions or other FAA approved data.
Instruments	All manufacturers of Altimeter / Encoders	All makes, all models	Limited to test and inspection only in accordance with 14 CFR, part 43 appendix E.

Operations Specifications

<u>Rating</u>	<u>Manufacturer</u>	<u>Make/Model</u>	<u>Limitations</u>
Radio	All manufacturers of transponders	All makes, all models.	Limited to test and inspection only in accordance with 14 CFR, part 43 appendix F.
